Re: PS Docket 06-229, Notice of *Ex Parte* Meeting

Dear Ms. Dortch:

This is to inform the Commission that APCO President William Carrow and Scott Bashore, a member of APCO's broadband committee, attended a meeting at the Commission on March 4, 2011, to address issues related to a nationwide public safety interoperable broadband network, including interoperability requirements, governance, and funding issues. Staff from the Public Safety & Homeland Security Bureau, Wireless Telecommunications Bureau, and Office of Engineering and Technology were present, as were representatives of the Public Safety Spectrum Trust and the PSST Operator Advisory Committee. Attached is a copy of a presentation used by Mr. Bashore during the meeting, and a list of all participants.

Please contact the undersigned should the Commission require any additional information regarding this matter.

Respectfully submitted,
